Essential Information

The QUICK-STEP® Master Installer has been trained and accredited to ensure your floor has been installed professionally & to the highest level, there are some exceptions to this which we detail below.

- The Job Completion and Installation Warranty Activation Form must be completed and returned to the Academy For Excellence in flooring within 28 days of the flooring installation being completed.
- The QUICK-STEP® Master Installer warranty cannot be retrospectively applied following problems arising after the 28 day period has elapsed.
- It is the consumers responsibility to ensure the QUICK-STEP® Master Installer warranty form is returned in the timescales stipulated.
- The Installer must be trained, assessed and endorsed as a master installer in the category of flooring being installed. *E.g. a QUICK-STEP® Master Installer in Laminate is not qualified or warranted to install QUICK-STEP® Livyn flooring.*
- A retailer displaying QUICK-STEP® Master Installer does not imply all installers have attended and passed the training and testing required. It is therefore the responsibility of the consumer to confirm with the retailer that the appointed installer is accredited as a QUICK-STEP® Master Installer.
- Problems arising from Sub floor problems & preparation is exclusively excluded from the QUICK-STEP® Master Installer warranty. Should preparation be required the consumer should ensure that the installer is suitably trained in this area.
- If you ask the QUICK-STEP® Master Installer, retailer or estimator not to follow the manufacturers product installation instructions for whatever reason and they are prepared to undertake the work on that basis, the QUICK-STEP® Master Installer Installation Warranty will immediately become Null & Void.
- The QUICK-STEP® Master Installer, Retailer or estimator ultimately decides if the QUICK-STEP® Master Installer warranty is to be applied to the product and site the flooring is to be installed. It is therefore the consumers responsibility to ensure the Warranty will be applied and a QUICK-STEP® Warranty application form is completed and left with said consumer for submission to QUICK-STEP®.
- The QUICK-STEP® Master Installer warranty applies only to QUICK-STEP® branded products.
- You are strongly advised that QUICK-STEP® solutions (accessories) should always be used in conjunction with QUICK-STEP® Laminate, Parquet & Livyn Vinyl. Problems arising from using third party accessories are excluded from the QUICK-STEP® Master Installer warranty.
